FRIDAY EVENING, NOVEMBER 4.

## LOCAL NEWS.

For this section fair and slightly warmer, followed by cooler weather, light to fresh southwest to north-west winds.

**BILLY WILLIAMS.**—The following dispatch was received in this city this morning:

BALTIMORE, Nov. 4.  
We have arrested Billy Williams. He will go to Virginia without a requisition.

**JACOB FREY, Marshal.**

Immediately on the receipt of the above Capt. Webster held a consultation with Mayor Smoot and Commonwealth's Attorney Marbury and telegraphed back to Marshal Frey to hold Williams in Baltimore till he could be sent for this evening. Capt. Webster and officer Grady left here for Baltimore at three o'clock this afternoon and are expected back to-night with their prisoner.

Williams, as is well known, is wanted here where there is an indictment pending against him on the charge of killing officer Julian Arnold in May last. John Curran, who was indicted with Williams on the same charge, was tried and acquitted at the last term of the Corporation Court. There are doubts as to whether a case can be made against Williams, as so far but little evidence has been adduced to connect him with the shooting and Curran, when on the stand, swore that Williams was not with him nor did he see him on the night Arnold was killed. There are now two rewards offered for Williams, one by the Mayor of \$500 for his arrest and conviction and another by the Governor of \$200 for his arrest alone. There are some who believe that Williams fears nothing from his arrest and will in the end share the money offered for his capture. An account of the arrest will be found in the telegraphic columns of the GAZETTE.

**SUICIDE OF A RESURRECTIONIST.**—William M. Jensen, alias Vigo M. J. Ross, committed suicide yesterday evening in a fifteen cent hotel, New York, lodging house by shooting himself in the head. Letters found on his person show that he was driven to the deed by starvation. He had but little work since last New Year. He was fifty years of age. This is evidently the Wm. M. Jensen, who was notorious in Washington for body-snatching. His career was a ghastly one and he was before the Washington Police Court several times, particularly in connection with the robbery of the body of Charles Shaw from Potter's field. He made a little sensation at one time, also, by lecturing on grave robbing at the Theatre Comique, illustrating his methods by pulling a dummy corpse up through a hole in the stage. It will also be remembered that Jensen came to this city a few years ago with a married woman and put up at the Braddock House. The husband of Jensen's inamorata followed the couple to this city and with two policemen visited the hotel and proceeded to the room occupied by the guilty pair. After considerable knocking and meeting with no response the woman's husband perched himself upon the back of one of the policemen and looking through the transom of the door discovered his erring wife and Jensen pretending to be in deep slumber in each other's embrace. The door was subsequently forced, and the man and woman compelled to dress and go to the station house. An interesting trial followed, during which the woman said she had determined to have no further marital relations with her husband, and he refusing or failing to prosecute the matter any further, the parties were discharged. Jensen of late has been posing as a "knight of labor."

**CITY SCHOOL BOARD.**—The regular meeting was held last night, present: Chairman Stuart, the Supt. of Schools and Messrs. Atcheson, W. F. Carne, Leadbeater, Man-kin, Strauss and Vincent. After the reading of the minutes, the clerk reported that, under the direction of the Committee on Finance and Accounts, he had given the contract for word to C. O. Pulman, at \$4.50 a cord, and that for coal to Hewes & Atcheson, at \$5.34 for stove and \$4.81 for nut; they being the lowest bidders. Hon. Charles E. Stuart was unanimously re-elected chairman and Mr. Hubert Snowden, clerk. Mr. Leadbeater from the Committee on Finance and Accounts, reported favorably the bill of Wm. Claggett, janitor, for extra work, \$5, and as correct those of the GAZETTE and the GAZETTE job office for advertising and printing, all of which were ordered to be paid. Supt. Carne from the Committee on Schoolhouses and Furniture, reported a contract with John P. Clarke for curtains for the Seaton, Lee, Academy and Peabody buildings, and the purchase of a stove for the Academy building from Thomas Hoy. Also, that some other purchases were contemplated. He also reported, as Superintendent, that he had furnished all the teachers with the necessary text books. On his motion the penalty for absence was remitted to Miss Chapman for one day and Miss Tancil for two; their absence having been caused by sickness, and the Clerk was authorized to grant a second permit to Richard Edmunds, Jr., who had been dropped for truancy. On motion of Mr. W. F. Carne the Clerk was authorized to furnish a Holmes' fifth reader to an indigent pupil, and on motion of the Superintendent \$5 extra was allowed Mrs. Clements, janitor, for extra cleaning at the Academy building. The board then adjourned.

**POLICE REPORT.**—Last night was clear and cool with four prisoner and seven lodgers at the station house.

The Mayor this morning disposed of the following cases:

Branch Wright, arrested by Officer Franks charged with vagrancy, was discharged.

Wm. Gaary, arrested by Officer Grady for disorderly conduct in the Mayor's Office, was fined \$1.

Silas Johnson, colored, arrested by Officer Taylor charged with interfering with prisoners in the station house, was fined \$2.

Mac Corbin, colored, arrested by Officer McCuen, charged with insubordination on the chain gang, was locked up.

The case of the young man, charged with disorderly conduct in the Third ward on Wednesday night, was dismissed, though Officer Price was informed by the Mayor that he had done right in making the arrest.

**A RASCALLY ACT.**—A rascally act was committed during Wednesday night on board the tug Annie, of this city, lying at Brown's wharf, Baltimore. Somebody entered the engine-room and removed several of the most important parts of the engine, the goos and other movable articles, which were missed in the morning. Capt. Walter Coleman, supposing they had been thrown overboard, had a search made alongside the Annie, and a number of the articles were recovered.

**COMMITTEE MEETING.**—The Committee on Light of the City Council have held two meetings this week to consider matters which were referred to them at the last meeting of Council. The committee is understood, will recommend the erection of a building, to be constructed of brick that came out of the old chimney which was recently taken down at the works, for the

storing of coal, and also will recommend that in the next financial report of the work, to eliminate the item of "uncollected bills" when such bills are prior to 1883.

**THE HAY-SCALES CASE.**—The Circuit Court for the county, as heretofore stated, will begin its fall term next week at the Columbus street Court-house. During that term Judge Keith has promised to decide the long pending hay scales case of Fleming vs. the Corporation of Alexandria. This involves all the questions relative to the grant of the half acre for the town market and the use of its south part as an alley. The case has led to much searching of old records, and the testimony which has been produced makes a history of the market and its surroundings. The question involved, the right of the city to put the hay scales in the alley south of the market, has been, in the law's delay, almost forgotten, and for some years the hay scales have, in fact, been the scales at the coal yard of Hewes & Atcheson, on Duke and Fairfax streets.

**ATHLETIC DAY.**—The exercises and contests of the twelfth annual athletic day of the Episcopal High School, near this city, will begin on the grounds of that institution to-morrow morning at ten o'clock. The programme embraces the following contests, for which prizes are given and numerous entries have been made: Throwing the ball, potato race, flat race, junior hurdle, standing long jump, egg and ladle race, putting the shot, running high jump, senior hurdle, running long jump, junior tug of war, 440 yards flat race, 100 yards flat race consolation race and senior tug of war. The reception committee are Messrs. Bolling, Randolph and Reifsander.

**THE REHEARSAL TO-NIGHT.**—The first complimentary rehearsal of the season of the Alexandria Musical Association will be given at Sarcophagi Hall to-night, when a delightful programme will be rendered. Among the selections will be the Boulanger March, given by the full orchestra, a piano solo, zither solos and duets, and a vocal quartette, the entertainment concluding with a medley of popular airs by brass and reed instruments.

**PERSONAL.**—Misses Fannie and Belle Hunter, of Warrenton, are visiting Mrs. Dr. French on Washington street.

Rev. Stockton R. Murray will preach at the M. P. Church to-night.

**Big Tow.**—The large tug Samson, from Baltimore, passed up the river this morning having in tow twelve large barges loaded with coal for Washington.

**A Bonanza Mine** of health is to be found in Dr. R. Pierce's "Favorite Prescription," to the merits of which, as a remedy for female weakness and kindred affections, thousands testify.

The Relief Hook and Ladder Company will meet Friday evening, Nov. 4, 1887, at 7:30 o'clock. (Nov 21) C. H. PICKIN, Secretary.

**OFFICE OF THE CHARLOTTEVILLE AND RAPIDAN R. R. CO.**

The ANNUAL MEETING of the stockholders of the Charlottesville and Rapidan R. R. Co. will be held at No. 1009 Prince street, Alexandria, Va., on WEDNESDAY, November 30th, 1887, at 12 o'clock noon.
